

ABOUT FINANCIAL AID

Scholarships (based on need and grades)

When ACPA receives donations for scholarships, candidates are screened and awarded scholarships based on level of need and GPA.

Workstudy Awards (based on need)

Each year eligible families are given workstudy awards that enable students and family members to perform valuable tasks for the school in exchange for a discount on tuition. Duties typically include light custodial, cafeteria help, office support, mowing/landscaping, and small construction projects.

Sponsorships

Occasionally students are able to find someone to "sponsor" their education at ACPA. A sponsorship is money paid by someone else on a student's behalf. Sponsorships are always designated to a particular student.

HOW TO APPLY

Applicants who wish to apply for financial aid will be asked to fill out an on-line form at www.ismfast.com. The cost for this application is \$48. ACPA uses this 3rd party to analyze financial need. Once the level of need is established, a meeting will be set with each family to discuss options. Aid meetings begin April 1st of each year.

Students must be accepted into ACPA before financial awards are made.
